Dear Ms. Best:

This is in response to your Freedom of Information Act (FOIA) request of May 21, 2019, requesting documents generated as part of the creation of the FOIA office, whether at the time of creation of the agency or the passage of the FOIA, to include: the instruction to do so from the agency, as well as any guidance from the senior leadership; documents discussing proposals and procedures; any legal guidance or analysis produced or acquired by the agency in response to or as part of the creation of the office; internal documents from the press office, director's office or the newly created FOIA office, reacting to or characterizing the office and its creation. This letter supplements our letter of May 29, 2019.

As noted, coordination with another element of our command has been completed and the record has been returned to this office for final disposition and direct reply to you. As a result of the review it has been determined that the record is partially releasable and is enclosed for your use.

Information which would result in the unwarranted invasion of the privacy rights of the individuals concerned has been sanitized from the record. This information is exempt from the public disclosure provision of the FOIA pursuant to Title 5 U.S. Code 552(b)(6).

This denial is made on behalf of Major General Gary W. Johnston, Commander, U.S. Army Intelligence and Security Command, who is the Initial Denial Authority in this matter under the FOIA. You may appeal this decision to the Secretary of the Army. If you wish to file an appeal, you should forward it to this office. Your appeal must be postmarked no later than 90 calendar days from the date of this letter (excepting Saturdays, Sundays and legal public holidays). The mailing address is:
